ABOUT US

ZHEJIANG LUCKCHEN INDUSTRIAL AND TRADING CO., LTD

Zhejiang Luckchen Industrial and Trading Co., Ltd. was established in 2017. We are specialized in the R&D, design, production and sales of various stainless steel thermos cups and plastic cups. The founder of the company has 20 years experienced in the R&D and design of stainless steel utensils and plastic cups. The company covers an area of 12000 square meters, We have over 200 team members, and can produce more than 30000 cups per day. Company has quality certificate: BSCI, ISO9001 etc. Product certification: LFGB, FDA.

We are committed to strict quality control and considerate customer service. Our experienced team member who can discuss customer's requirements with them at any time to ensure that customers are fully satisfied. We are famous for our excellent quality, competitive price, superb craftwork, safe packaging and prompt delivery. Therefore, we can fully satisfy customers' demands.

Our products are very popular in overseas markets, especially in the United States and Europe. In addition to our own products, we also provide OEM services and accept customized orders. We will provide better products with diversified designs and professional services.

Since the establishment of the company, our company always pays attention to the training of employees, and adhered to the "people-oriented" business philosophy, to realize the common promotion of enterprise value and employee value. We also adhere to the "customer first" business philosophy to serve customers.

We sincerely welcome friends from all over the world to visit our company and cooperate with us on the basis of long-term mutual benefit. We warmly look forward to work with customers from all over the world and create a better future together.
